

# How to create a blog

Mahara allows you to host a number of blogs, to reflect different areas of your life

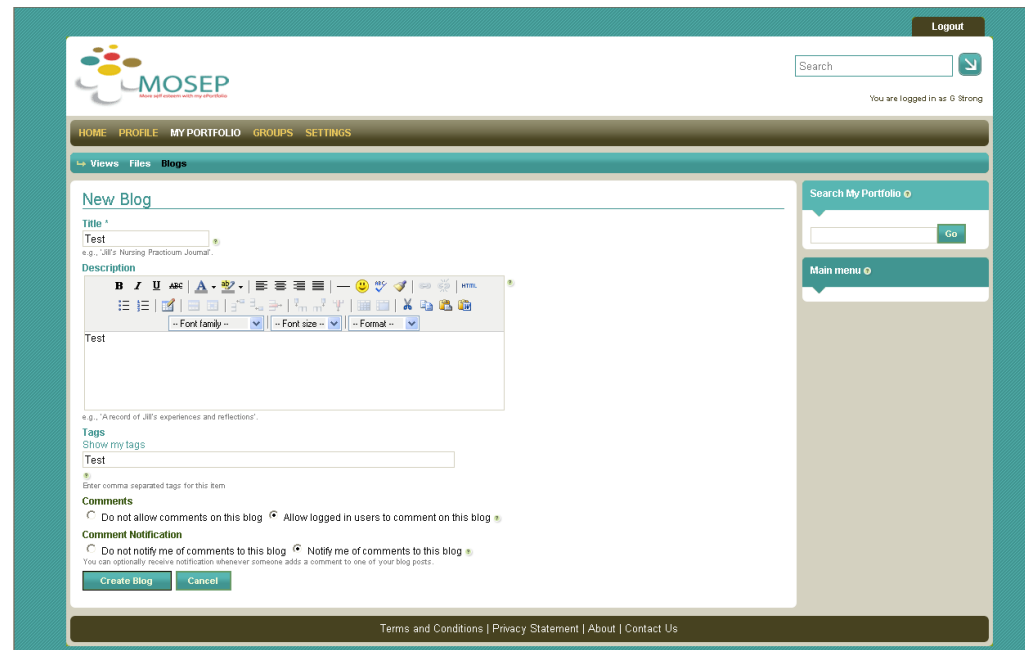

# Adding a blog

- Go into “My Portfolio”, and then “Blogs”,
- Once you are onto that page, click on “Add Blog”

# Customising your blog

- On the next page, fill in details of your blog, then click “Create Blog”
- For maximum interactivity, select “Allow logged in users to comment on this blog” and “Notify me of comments to this blog”

The screenshot displays the 'New Blog' form within the MOSEP (My Online Student Evaluation Platform) interface. The form is set against a teal background with a brown navigation bar at the top. The navigation bar includes links for HOME, PROFILE, MY PORTFOLIO, GROUPS, and SETTINGS. Below the navigation bar, there are tabs for Views, Files, and Blogs. The 'New Blog' form itself has a title field with the placeholder text 'Test' and a description field with the placeholder text 'Test'. Below the description field is a rich text editor with various formatting options like bold, italic, underline, and link. To the right of the form, there is a sidebar with a search bar and a 'Go' button. At the bottom of the form, there are checkboxes for 'Comments' and 'Comment Notification'. The 'Comments' section has two options: 'Do not allow comments on this blog' (selected) and 'Allow logged in users to comment on this blog'. The 'Comment Notification' section has two options: 'Do not notify me of comments to this blog' (selected) and 'Notify me of comments to this blog'. At the bottom of the form, there are 'Create Blog' and 'Cancel' buttons. The footer of the page contains links for Terms and Conditions, Privacy Statement, About, and Contact Us.
